S I R:

During the preparation of a divisional application it was noticed that the Declaration for this application did not include therein a claim to priority to Japanese Application No. P2002-358895, although the claim to priority was made outside of the declaration on file and acknowledged by the USPTO . Therefore, this new Declaration, which claims priority to Japanese Application No. P2002-358895, is filed herewith.

Respectfully submitted,
